A BEAUTIFUL ALBANIAN VILLAGE, TUCKED AWAY AT THE FOOT OF A MOUNTAIN

This beautiful country village is woven with narrow paths of cobblestone, houses made of stone and a peaceful surrounding landscape. Though it has not enjoyed the fame it deserves, Rehova is the perfect destination for a tranquil weekend getaway. The quaint, rustic village, located at the foot of Gramoz Mountain near the city of Korça, (<https://www.intoalbania.com/city/korce/>) quite incredibly contains 23 churches. In addition to its nature, tranquillity, and charming houses, you will no doubt fall in love with Rehova's traditional local culinary delights, such as the leek-and-cheese pie, or *pispili* (corn bread with spinach), which, along with the locals' warming hospitality, makes the experience of this wonderful site simply unforgettable.
